WRITING 1 – UNIT 7 – VERSION 1

Topic:

Do you think that young children who know something about computers have an advantage in school today? Why or why not?

Requirements:

- Write a paragraph of at least 120 words.
- Express your opinion and give at least two reasons to support it.
- Provide examples to explain your reasons.
- Use linking devices to connect ideas clearly.
- Use a variety of sentence structures (simple, compound, and complex sentences).

My paragraph:
