

1. CHỌN SỐ LƯỢNG PHÙ HỢP:

A diagram illustrating a subtraction problem. At the top, a box contains 7 chairs, with a large red circle labeled **7** next to it. Below this, a red line branches out to two boxes. The left box contains 3 chairs and a large red circle labeled **3**. The right box is empty and contains a large red circle labeled **0**. Below these, there are four boxes, each containing a different number of chairs and a large red circle with a number:

- Box 1: 3 chairs, large red circle labeled **3**.
- Box 2: 6 chairs, large red circle labeled **6**.
- Box 3: 5 chairs, large red circle labeled **5**.
- Box 4: 4 chairs, large red circle labeled **4**.
