Travel Agent: Hello! How can I help you today?

Man: Hi! I'd like to make a reservation for my family next weekend. We need two _____ rooms—one with a king bed for my wife and me, and the other with separate beds for our two kids.

Travel Agent: Let me check _____. Do the rooms need a connecting _____ ?

Man: Yes, definitely a connecting door. And my wife insists on the _____ bed.

Travel Agent: No problem. I have adjoining rooms with a connecting door. The kids' room has two queen beds—is that okay?

Man: Perfect. We'd also love a _____ if possible.

Travel Agent: Both rooms have balconies.

Now, about _____ — the hotel is just five minutes from the main _____ and a short walk to the shopping mall.

Man: That sounds ideal. What's the best rate for these rooms?

Travel Agent: For next weekend, the total rate is \$380 per night for both rooms.

Would you like to confirm the booking with a _____ ?

Man: Sure. How much is the deposit?

Travel Agent: Just one night's _____ — \$190 — to secure your reservation.

Man: That's fine. Please go ahead and book it under my name.

Travel Agent: Perfect. Thank you!
