Spotlight 3

Prepositions of Time
Task 3383

Choose the correct preposition.

This is Sebastian. Every day, he gets up _____ half past seven. He has breakfast and then he leaves for school _____ quarter past eight. _____ the evenings, he watches TV or reads a book. _____ the weekends, Sebastian likes to have fun with his friends. _____ Saturday, they often go to the park and ride their bikes and _____ the evening they go to the cinema. _____ Sunday morning, Sebastian and his friends usually play football. Now he is writing a letter to his friend Jessica.

Dear Jessica,

It's my birthday _____ August and I'm writing to invite you to my party. The party is _____ Saturday, August 2nd _____ 7 o' clock _____ the evening. Why don't you come _____ the morning so we can put up the balloons and other decorations together?

You can spend the night with us.

I really hope you can come!

Love,

Sebastian
