

Stand by You – Rachel Platten

1	2
Even if we can't find _____, heaven, heaven, heaven	Even if we're _____ down
Hands put your empty hands in _____	We can find a way to break _____
And scars show me all the scars you _____	Even if we can't find _____
And hey, if your _____ are broken	I'll walk through _____ with you
Please take mine 'til yours can open too	Love, you're not _____
'Cause I'm gonna stand by you	'Cause I'm gonna stand by you
Oh, tears make _____ in your eyes	Even if we can't find _____
And hurt, I know you're _____ but so am I	I'm gonna stand by you
And love, if your wings are broken	Even if we can't find _____
_____ mine so yours can open too	I'll walk through hell with you
'Cause I'm gonna stand by you	Love, you're not _____
	'Cause I'm gonna stand by you
