### How to play tennis

- You wear sports clothes and <sup>1</sup> trainers.
- You go to a tennis <sup>2</sup> court. People usually play tennis outside, at a sports centre or tennis club.
- You can play with two or <sup>3</sup> four players. The players (or pairs of players) stand on opposite sides of the <sup>4</sup> net.
- The players all have tennis <sup>5</sup> rackets.
- The first player <sup>6</sup> throws the ball into the air, then <sup>7</sup> hits it with the racket. The players hit the ball to each other across the net.
- The players have to <sup>8</sup> run very fast to hit the ball.
- When a player can't hit the ball and it lands in the court, the other player usually wins a <sup>9</sup> point.
- The player with the most points wins the <sup>10</sup> match.
- Tennis matches can last for different lengths of time.
