

Name: _____

Score: _____

Class: _____

Date: _____

Shop Around

Your class is organising a small school fair. As part of the preparations, your group has been assigned to recommend one product for the fair. Several products have been discussed, including sports equipment, furniture, and sunglasses. Many classmates are curious about which product would be the best choice. You need to explain your opinion in detail, describing the product, highlighting its main features, and giving reasons why it is the most suitable option.

**iSTYLE**
3 for 2

THINK & ANSWER:

- ✓ Which product offers the biggest discount?
- ✓ Which product **would** be the best?
- ✓ Which product **would** be the most popular?

Based on the information given, You need to write an essay of at least 100 words.

Your essay should include:

- The product you suggest
- Reasons why it is suitable for people
- Features and benefits from the products

You may use these sentence to help you write:

- I think the best product for our school fair is _____ because _____.
- It is designed to _____, which makes it suitable for _____.
- I would recommend this product because _____.
