Hi Dina,

I've just been talking to my big brother. He came back from Finland yesterday. He stayed with our aunt and uncle, who live there. He said it was amazing! I think we ought to try and go there soon. The best time is in summer when the ice and snow has melted. There are some good airlines that go there. My dad said he would take me next summer. Can you come with me? If I didn't have exams in September, I would go this year. What do you think? It's a great idea, isn't it?
