

FOUR PIC ONE WORD ACTIVITY

Direction: Guess what specific word/words fit the theme of the pictures presented.

A 2x2 grid of images illustrating electricity. Top-left: A black cable cut open, showing multiple colored internal wires (red, green, blue, yellow). Top-right: A tall metal lattice tower for high-voltage power lines against a blue sky. Bottom-left: A white cable car hanging from a cable, moving against a blue sky. Bottom-right: A white wall outlet with a black two-prong electrical plug inserted, with a black cord trailing off.

Below the images is a word bank consisting of two rows of empty boxes for writing the answer.
