KET PART 2 – 7 questions

For each question, choose the correct answer.

Three great campsites to try this summer

Sandy Bay

This campsite is on an excellent beach, and offers water sports classes, including surfing, windsurfing, and sailing, with special prices for campers. The sea is safe for swimming, so it's a great place for families. The large swimming pool is great in summer, and has a wide area of grass around it. There is a small shop at the campsite where people can buy food, and it has long opening hours. The campsite is very large, so there is lots of space for your tent, and you won't be too near your neighbours!

High Wood

There are lots of activities you can do at High Wood campsite, from fishing to cycling, and you can borrow bikes and other equipment there. It's not as large as some campsites, but it's clean and modern. It has an indoor swimming pool, which is fantastic to use in any weather. In the evening, there are activities such as watching films or dancing to local bands. For food shopping, try the shop in the nearby village.

Black Lake

The wonderful thing about Black Lake campsite is waking up in the morning and seeing the beautiful mountain views all around you. You don't have to bring your own tent – there are some already there you can pay to use. There's lots to do – you can swim in the lake or walk in the forest. And don't forget to bring your mountain bike with you! If you want to cook for yourself, the shop in the next village has a lot of food.
