

MITOSIS

MITOSIS, A PROCESS OF CELL DIVISION, OR REPRODUCTION, BY WHICH ONE CELL PRODUCES TWO IDENTICAL DAUGHTER CELLS. IT IS AN ASEXUAL REPRODUCTIVE PROCESS THAT OCCURS IN ALL EUKARYOTIC CELLS.

MEIOSIS

MEIOSIS IS A SPECIALIZED TYPE OF CELL DIVISION THAT RESULTS IN THE PRODUCTION OF FOUR GENETICALLY DIVERSE DAUGHTER CELLS. IT IS A SEXUAL REPRODUCTIVE PROCESS THAT OCCURS IN ALL EUKARYOTIC CELLS.
