  - B. There is smoke coming from the kitchen.
  - C. You want to improve your English vocabulary.
  - D. Your class starts in five minutes and you're still at home.
  - E. Your colleague has a small headache.
- 
- 1. You had better leave now.
  - 2. You should learn a few new words every day.
  - 3. You ought to talk to your manager.
  - 4. You had better turn off the cooker immediately.
  - 5. You should take a break and rest.

### Exercise 3 – Correct the Mistake

- 1 You should to drink more water.
- 2 He had better goes home now.
- 3 She ought drink less coffee.
- 4 You better not forget your ID.
- 5 Should I to call the client today?

### Exercise 4 – Complete the Advice

- 1 You should \_\_\_\_\_ (check) your emails before the meeting.
- 2 We ought to \_\_\_\_\_ (leave) earlier to avoid traffic.

- 3 You had better not \_\_\_\_\_ (be) late again.
- 4 What should I \_\_\_\_\_ (say) to my manager?
- 5 She shouldn't \_\_\_\_\_ (work) so many hours every day.

### **Exercise 5 – Choose the Stronger Advice**

- 1 a) You should save more money.  
b) You had better save more money.
- 2 a) You ought to apologize.  
b) You should apologize.
- 3 a) You should see a doctor.  
b) You had better see a doctor.

### **Exercise 6 – Give Advice**

Write one sentence of advice for each situation.

- 1 A friend can't sleep at night.
- 2 A student has an exam tomorrow and hasn't studied.
- 3 Someone is driving too fast.

### **Exercise 7 – Speaking: Advice Clinic**

Work in pairs. Student A explains a problem. Student B gives at least two pieces of advice using different modals.
