

# Because and That's why

## Because

### Structure:

Result + because + reason

It answers the question **Why?**

### Examples:

- I like social media **because** I can talk to my friends every day.
- She trusts him **because** he always helps her.

## That's why

### Structure:

That's why + result

It explains **what happens because of the reason**

### Examples

- He never answers my messages. **That's why** I don't text him anymore.
- She is very kind and honest. **That's why** she is an important person in my life.

## Exercises:

### 1. Choose the correct answer:

I like my real friends \_\_\_\_\_ they listen to me.

He spends a lot of time online. \_\_\_\_\_ he has many social media friends.

She doesn't trust him \_\_\_\_\_ he lies a lot.

They support me in difficult moments. \_\_\_\_\_ they are important people in my life.

### 1. Complete the sentences:

I don't share personal problems online \_\_\_\_\_ not everyone is a real friend.

She always comments on my posts. \_\_\_\_\_ I know she cares.

He feels lonely \_\_\_\_\_ he has many online friends but no close friends.

### 1. Read the text and choose the correct answer:

Nowadays, many people have friends on social media. We talk, like photos, and send messages every day. Social media helps us stay connected \_\_\_\_\_ it is fast and easy.

However, not all social media friends are real friends. Some people only write when they need something. \_\_\_\_\_ many people prefer a few close friends.

Real friends are important people in our lives \_\_\_\_\_ they listen, support us, and stay with us in difficult moments. They don't need to send messages every day. \_\_\_\_\_ real friendship is about trust, not about likes or followers.

Social media is useful, but real friends make a real difference.
