

# Summer Camps

Three Falls Elementary

## What?

Free

Parents,  
We are so excited to be offering some fun summer camps for your students! These are not intervention based, just fun reinforcement camps to engage your child and get them mingling with other students in and beyond their own grade in math, science, reading, crafts, DLI, and more.

## Who? When? Where?

**Who?** Incoming 1st-5th grade students.

**When?** Various dates  
June 1st-30th, 2023

**Where:** Various  
classrooms at Three Falls

## How do I sign up?

An email with a Google Form link will be sent to all parents that currently have K-4th grade students at Three Falls. Registration closes May 13th

## Schedule

See back of this page for the schedule.

\*We do have a maximum amount of students per session. If sessions reach full capacity we will go to a lottery system for that session.

#### 1 or 2 SPACE STEM

June 1, 2022 or June 2, 2023 (Christensen & Pace)

Space is an amazing place! Get ready to create constellations, launch meteors & asteroids, make solar system models, snack on the phases of the moon, and build a parachute for an alien! Class Size Limit: 18 Recommended for incoming 3rd - 5th graders

#### 3 MAP MAKING

June 7 & 8 Plan on attending both days (Stevens & Eldredge)

We will learn to read and create maps of our school, community, Utah, and the United States. Class size limit: 18 Recommended for incoming 2nd through 5th grade students Please let us know if there is an allergy to gluten.

#### 4 OR 5 BUILDING YOUR BRAIN

June 14, 2023 (3rd-5th) (Christensen & Young), June 15, 2022 (1st-2nd) (Stevens & Young)

Have you ever wondered how the brain can change and grow? Then this is the class for you! You'll learn what different parts of the brain are called, how they work together and construct your own brain hat. Class Size Limit: 24 Recommended for incoming 1st and 2nd, 3rd - 5th graders

#### 6 OR 7 OR 8 FAIRYTALE STEM FUN

June 14, 21, 28, 2023 (Varga and Gubler)

Come have a day of fun with Fairytale STEM and Storytelling. This is a 1 day activity that will be offered 3 times.

Class Size Limit: 20 recommended for incoming 1st graders

#### 9 FUN FACTS

June 14 & 15 - plan to attend both days (Nielson & Eldredge)

Day 1 - 3s, 4s, 6s

Day 2 - 7s, 8s, 9s

Multiplication fact practice for those that need reinforcement - We will use songs, games, and art to practice multiplication math facts. Class size limit: 18 Recommended for incoming 4th and 5th graders

#### 10 ROCK TILL YOU DROP

Jun 14, 2023 (Stevens & Fjermestad)

Come learn about rocks and the importance of them in our lives. We will have experiments and fun activities for you to enjoy, for example candy rock hunting Class size limit: 24 Recommended for incoming 2nd through 5th graders

#### 11 OR 12 MUSIC AROUND THE WORLD

June 15, 2023 (Christensen & Fjermestad) or June 22, 2022 (Christensen & Stevens)

Let's explore music from around the world through song and dance. We'll play with BOOMWHACKERS and make some of our own music too!

Class Size Limit: 18 Recommended for incoming 2nd - 5th graders

#### 13 OR 14 ART in a SMALL WORLD

June 16, 2023 (Christensen & Nielsen) or June 23, 2022 (Christensen & Stevens)

It's a Small World is one of the most famous attractions at Disneyland. Walt came up with the idea for the boat ride, but it was Mary Blair's art that inspired the dolls from around the world. Come learn more about Mary Blair, and how to illustrate your own small world castle in her style.

Class Size Limit: 18 Recommended for incoming 3rd - 5th graders

#### 15 FRACTURED FAIRY TALES

June 21, 2023 (Christensen & Eldredge)

Get ready to read some funny fairy tales with zany plot twists! We'll practice our reading fluency skills with silly scripts & puppets, and write our own fractured fairy tales. Class Size Limit: 24 Recommended for incoming 3rd - 5th graders

#### 16 DESIGN YOUR ICE CREAM TRUCK BUSINESS

June 28 - 30, 2023 (Christensen & Fjermestad)

Do you love ice cream? Running an ice cream truck could be a very tasty way to make some money! This three day project will challenge you to use your creativity, reading, writing, and math skills to make an ice cream truck business profitable. You'll also taste test various flavors of ice cream, and make your own ice cream from scratch! ☺

Class Size Limit: 18 Recommended for incoming 3rd - 5th graders

#### 17 STICKS

June 21, 2023 (Nielson & Fjermestad)

We will use them for math, literacy, STEM building, and even music and science!

Class Size Limit: 20 Recommended for incoming 1st and 2nd graders

#### 18 WHAT'S THE WEATHER?

Jun 22, 2023 (Nielson & Fjermestad)

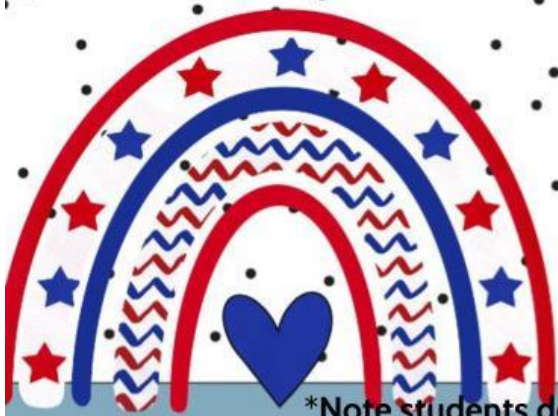

Let's learn all about weather and create several projects while learning about fun things you can do in different types of weather! Class Size Limit: 20 Recommended for incoming 1st and 2nd graders

#### 19 OUR COMMUNITY

June 23, 2023 (Nielson & Fjermestad)

Come enjoy a day of learning about different professions and the people that work in our communities to keep it running smoothly.

Class Size Limit: 20 Recommended for incoming 1st and 2nd graders
