Gyeong Park reviews Best Burgers in Boston

★★★★★ October 28 at 11:30 A.M.

Best Burgers in Boston, or BBB, is really the best burger restaurant in the city. It's on Washington street, near the park, in a quiet neighborhood.

The food is excellent but they only have burgers. No salads or pasta, only burgers. But the burgers are huge! There is hamburger meat, tomato, onion, cheese, and ketchup on every burger. But you can add many different kinds of toppings like olives and eggs!

The service is great and the servers are very nice.
