READING

I. Read the entry of Ivan's personal blog and select the correct option: A, B or C.

ABOUT ME:

Hi! My name's Ivan Carter. I'm 38 years old and I'm single. I'm from Sydney, Australia but I live in Houston, Texas. I'm a pilot at International Travel Airlines. It is a very stressful job but I really enjoy travelling. I speak English, French and a little Spanish too.

I fly to countries in America, Europe and Asia. My favorite city in the US is Los Angeles, in California. It's a big city and it is very interesting. The people are very friendly. Many people speak English and Spanish there.

In Europe I prefer Paris because I have many friends in that city and I love its nightlife. In Asia, I love Hong Kong. It is very exotic. It is an interesting mix of East and West cultures, and its food is delicious. *Dim Sum* is a classical dish in Hong Kong. Many people live in this small city, almost 7 million. Traffic and air pollution are the main problems there.

If you want to contact me, send an email or follow my blog.
