Sarah's travel blog

The summer was exciting this year! I was on holiday in New Zealand with my family. There was a beautiful waterfall called Sutherland Falls. It's in South Island. The path was very steep and narrow, so we couldn't walk very far ☹. The waterfall was in a famous film called *The Hobbit*! There was also a big lake called Milford Sound. It was huge and there were small islands and caves. We could walk near the lake, but we couldn't swim. It was too cold! Our dinner was in the picnic area in the evening. It was fantastic!
