ETS speaking evaluation ENGLISH V

As part of the ETS evaluation students must be ready to speak about one of the following topics. You will be given the topic in random the day of the exam so it is important to prepare **all the topics** in advanced.

Semestre	Topics	Task
English 5	• If I were someone else	You will have to talk about a hypothetical situation, explaining who you would like to be, where you would live, work, what you would do and why and how different you imagine your live would be (using Conditionals)
	• My most exciting holliday	You will have to describe your holiday and mention why it was the most exciting one
	• A day I will never forget	You will have to describe the day and what happened using past tenses and explain why you will never forget it
