2 READING

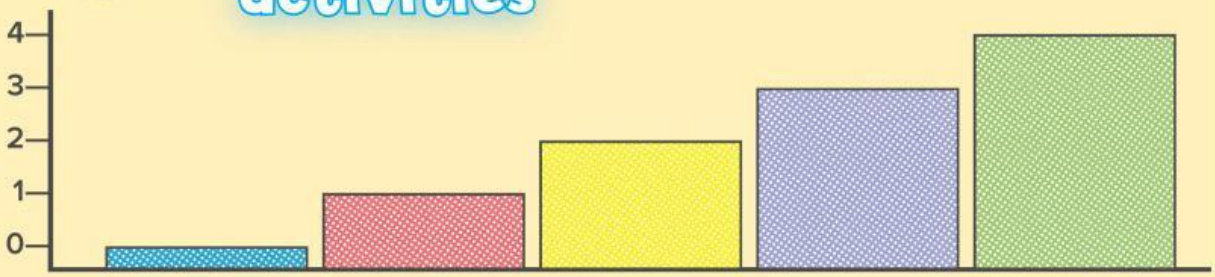

1 Read and write the activities.

Hi, I'm Lucy. At the weekend, I do lots of different things. On Saturday morning, I always go to football training at nine o'clock. I play on my local team, I love playing football. One thing I never do at the weekend is visit my grandparents, I visit them on Wednesdays. On Saturday afternoon, I usually do the shopping with my dad in the supermarket, but I sometimes meet my friends in the park. I love playing sports and my sister loves art. She usually does something artistic, but I hardly ever do crafts.

Lucy's weekend activities

never = 0 | hardly ever = 1 | sometimes = 2 | usually = 3 | always = 4

2 Read and choose *T* (true) or *F* (false).

Adam plays basketball in the sports centre on Tuesday and Thursday. He doesn't like competitions, so he never plays in them. He goes swimming on Saturday morning and then he visits his grandparents. He has a pet dog called Rex. He always accompanies Rex in the morning before he goes to school and his mum walks the dog at the weekend. Before he goes to sleep, he reads in bed. He gets a new book from the library every week. On his mum's birthday, he bakes a cake for her. Her favourite is chocolate cake.

1	He plays basketball twice a week.	T	F
2	He goes swimming three times a week.	T	F
3	He visits his grandparents once a month.	T	F
4	He accompanies the dog five days a week.	T	F
5	He reads every day.	T	F
6	He bakes a cake once a month.	T	F
