KET PART 2 - 7 questions

For each question, choose the correct answer.

Bad weather

Liza

I live in the north of Finland. We're used to snow there, but one year we had a very bad snowstorm. When we woke up one morning the snow was nearly as high as the house. It covered our car and our garden, and we couldn't leave our home because of the snow. We didn't have any electricity, and it was dark and cold. Luckily, we were prepared, and we had a radio with batteries, a torch and warm clothes. I had everything I needed when the weather became bad. For me it was like an adventure, but my feelings were different from my mum and dad's. They were very worried.

Hannah

My family and I often go sailing, but last summer we had a bad experience. The day began well. It was a hot and sunny day, so we decided to take the boat out. An hour later the weather changed very suddenly. The wind became stronger, clouds covered the sun, it started to rain and the sea became very rough. I thought the weather would become bad. We were in danger because of the bad weather. Luckily, after a few hours the storm passed, but it was the scariest day of my life.

Paula

My village is near the sea, and a few winters ago something very unusual happened. The wind became very strong and big waves started crashing over the harbour edge onto the road. Overnight, the temperature dropped so low that the seawater turned into ice. The next day the sea looked like a giant ice rink. There was also ice on the roads and the cars. Luckily nobody was hurt, but it was the strangest weather I've ever experienced.
