My Vacations

Last summer, I went on vacation with my family. We traveled to the beach and stayed there for one week. Every morning, we woke up early and walked along the shore. My sister and I swam in the ocean, while my parents relaxed under an umbrella.

One day, we visited a small town near the beach. We walked around the town, bought souvenirs, and ate traditional food at a local restaurant. In the evenings, we watched the sunset and took many photos.

I really enjoyed my vacations because I spent time with my family and did many fun activities. It was a great experience, and I want to go there again next year.
