

# Activity 2

## INTENSIVE SPEAKING

**Title:** Answer the Questions

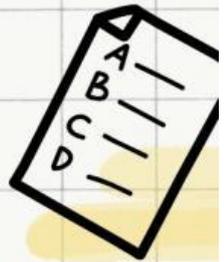

### Description of Activity

Students will listen to five questions about everyday topics. After each question, students will record a short but complete answer of no more than two sentences. The answers should demonstrate clarity, coherence, and appropriate use of vocabulary and grammar.

### Objectives

- Demonstrate listening comprehension and oral production in real-world contexts.
- Practice organizing complex ideas into short structures.

**Listen and then respond with an audio message.**
