### Writing a letter...

#### Model formal Letter making suggestions

Dear teacher,

I hope you are well. I am writing to you to share my thoughts about how we can help people in need and promote peace in the world. I believe this is a very important topic that we should all think about.

Nowadays, many people suffer because of poverty, violence, and lack of respect. This makes me feel sad and worried, because everyone deserves to live in peace and safety. I believe that understanding and kindness can help make the world a better place.

As a person, I try to be kind, respect others, and help people whenever I can. I also think it is important to stand up for others and support those who are in need. Small actions can make a big difference.

As a school, we can organise charity events, raise awareness through projects, and write letters to social media, the Mayor, or the Prime Minister. In this way, we can share our ideas and encourage more people to help create a peaceful and fair world.

Yours sincerely,  
Dimitri
