Reading Comprehension

My name is Eric. I live in Canada. We have four seasons: spring, summer, fall, and winter. It's always rainy in spring. It's sometimes windy. We watch the temperature go up. Next comes summer. It's sunny. We go to the park to play badminton. We also go to the beach to play volleyball. We usually invite our family over and barbecue outside. In fall, many people come to my family's parties. In winter, the temperature goes down. It sometimes goes down to minus forty degrees! We also have a lot of snow storms. It's fun playing games in the snow. We build snowmen and drink hot chocolate. It's not all snow, though. We still have a few sunny days in winter. I like Canada!
