She also writes a blog about food because this is a very popular subject.

On Saturdays, the two girls often meet at Yasemin's house. They make lunch together and Yasemin puts photos on her blog. After lunch, they sometimes go to the cinema because they both enjoy movies.

On Sunday mornings, Dana is tired. After her long week, she needs time to relax, so she stays in bed. On Sunday afternoon, she is more active. She tidies her room and does her homework. Then she eats and goes to bed.
