

## Bubbly

Colbie Caillat

Will you \_\_\_\_\_ me in?  
I've been \_\_\_\_\_ for a while now  
You've got me feeling like a child now  
Cause every time I see your \_\_\_\_\_ face  
I get the tingles<sup>1</sup> in a silly place<sup>2</sup>

**[Chorus]**

It starts in my \_\_\_\_\_ s, and I crinkle my \_\_\_\_\_  
Wherever it goes, I always know  
That you make me \_\_\_\_\_, please \_\_\_\_\_ for a while now  
Just take your time, \_\_\_\_\_ you go

The rain is falling on my windowpane  
But we are hiding in a safer place  
Under covers, staying dry and \_\_\_\_\_  
You give me feelings that I \_\_\_\_\_

But what am I gonna say  
When you make me feel this way? I just-, mmm

I've been \_\_\_\_\_ for a while now  
You tuck me in just like a child now  
Cause every time you hold me in your \_\_\_\_\_ s  
I'm \_\_\_\_\_ enough to feel your \_\_\_\_\_

It starts in my soul, and I lose all control  
When you kiss my nose, the feeling shows  
Cause you make me smile, baby, just take your time now  
Holding me \_\_\_\_\_
