

# INTERNET IN SCHOOL

*You will hear a talk about using the internet in school. For questions 1-9, complete the sentences with a word or short phrase. Play the recording twice.*

Some teachers say internet access is (1)\_\_\_\_\_ in modern education.

Supporters say internet access helps with (2)\_\_\_\_\_, homework and research.

They say that students need (3)\_\_\_\_\_ skills for future jobs.

Moreover, online resources allow students to learn (4)\_\_\_\_\_.

However, some say that internet access causes more problems than (5)\_\_\_\_\_.

They say that students use the internet to (6)\_\_\_\_\_ with friends, watch videos, etc.

One solution may be include (7)\_\_\_\_\_ access to the internet during lessons.

A key issue is how to use internet access in a (8)\_\_\_\_\_ and effective way.
