Imagine there's no heaven

Imagine all the people

It's easy if you try

Above us only sky

No hell below us

Living for today, ah

Imagine there's no countries

Nothing to kill or die for

Living life in peace, you

And no religion too

Imagine all the people

It isn't hard to do

You may say I'm a dreamer

I hope someday you'll join us

And the world will be as one

But I'm not the only on

Imagine no possessions

A brotherhood of man

No need for greed or hunger

I wonder if you can

Sharing all the world you

Imagine all the people
