Imagine there's no heaven

Imagine all the people
It's easy if you try
Above us only sky
No hell below us
Living for today, ah

Imagine there's no countries

Nothing to kill or die for
Living life in peace, you
And no religion too
Imagine all the people
It isn't hard to do

You may say I'm a dreamer

I hope someday you'll join us
And the world will be as one
But I'm not the only on

Imagine no possessions

A brotherhood of man
No need for greed or hunger
I wonder if you can
Sharing all the world you
Imagine all the people
