Dear John,

Last Saturday, I went to the coast with Peter and Zoe to celebrate Zoe's birthday. The weather was sunny and warm, so we felt very happy and excited. First, we ate pizza and drank lemonade at a small restaurant near the sea. After that, Zoe opened her birthday card and found three *Silver Dolphins* concert tickets inside. She was very surprised.

We didn't eat pudding because the concert started soon. The music was amazing and we sang and clapped our hands. It was the best concert ever! Afterwards, Zoe bought a *Silver Dolphins* T-shirt as a souvenir. Then, we walked along the beach and played near the water. Suddenly, we saw the singer from the band there. I found a pen and asked him to write his name on Zoe's T-shirt. She was the happiest person on the beach!

Before going home, we stayed on the beach for a while. We took photos, collected some shells and watched the sunset together. Then, we sat on the sand and talked about the concert. In the end, we went back home tired but very happy. It was a day we will never forget.
