Dear Han,

I like going to the beach on holiday. I can wear a T-shirt and shorts. I can do a lot of different things there. I enjoy sitting on the yellow sand and taking many photos of the shells with my pink camera.
My parents enjoy swimming in the sea and sunbathing, while my sister likes to pick up shells and write my family member's names on them. We all like to eat delicious food. How about you? Where do you like to go on holiday? What do you and your family or friends do there? I'd love to hear from you.

Talk soon,
Khang
