A Typical Day

My name is Tom, and this is my typical day.

I wake up at 6 o'clock in the morning. I get out of bed and have a shower. Then I eat breakfast with my family. I usually drink coffee and eat bread or fruit.

At 7:30, I leave my house and go to work by bus. I work in an office, and I start work at 8:30. I answer emails and talk to customers.

At 12 o'clock, I have lunch with my coworkers. We often eat in a small café near the office. After lunch, I go back to work until 5 o'clock.

In the evening, I go home and relax. I have dinner, watch TV, or read a book. I go to bed at 10:30 because I feel tired.
