A love of dancing

Paul

My mum was a professional dancer, and I had my first ballet lesson when I was six. I hated it and never went again. Mum was disappointed, but then she suggested that I should try modern dance. It was a brilliant idea. I loved it. When I left school, I joined a modern dance company. Unfortunately, a few years later I had a bad accident. Now my right leg isn't strong enough for me to dance, but I'm training to be a dance teacher.

Mark

My love for dance began when I was four. My big sister took ballet lessons, and when she practised at home, I watched and copied her. I asked my mum and dad if I could have ballet lessons too. They were surprised, but they agreed. Soon I was better than my sister. I studied ballet and modern dance, and when I left school I was offered a place in a modern dance company. One day I want to be a star and dance in musicals.

Samuel

I became interested in dance when one of my friends started going to modern dance lessons. As a joke, I went to a class with him one day. To my surprise, I enjoyed it and the teacher said I was good. I started going to class three times a week, so I didn't have time for football anymore. Some people at school laughed at me. They aren't laughing now. I am a dancer with a famous dance company. Dance is my life.
