Task 3 – Look at the picture and read the story. Write some words to complete the sentences about the story. You can use 1, 2, 3 or 4 words.

Sam loves learning about nature and animals. He often spends his free time in the forest near his house. Last month, he joined a nature camp with his classmates. During the day, they studied insects, identified different trees, and collected leaves for their science project.

One afternoon, while they were walking near a river, Sam found some animal tracks. He followed them carefully and discovered a small cave. He felt a little afraid but also very curious.

At night, the students set up the tent, built a campfire, and roasted fish for dinner. They sat around the fire, told stories, and looked at the stars before going to sleep. Sam said he had never learned so many interesting things in one trip.
