# Used to / Used to be

1. People **(used to / used to be)** hurt animals in the streets. Nowadays, they still don't take it seriously.
2. In the past, the neighbors **(used to / used to be)** keep the noise loud. Today, they always play the music very loud.
3. Years ago, people **(used to / used to be)** respect public places. Now, they paint graffiti on the wall.
4. Long time ago, the neighborhood **(used to / used to be)** safe. Currently, drug dealing is common in the area.
5. Back in the day, young people **(used to / used to be)** careful with their acts. These days, gang violence is a big problem.
