Question 1: Reorder these steps to create an algorithm for taking a shower (write a number to sequence the actions).

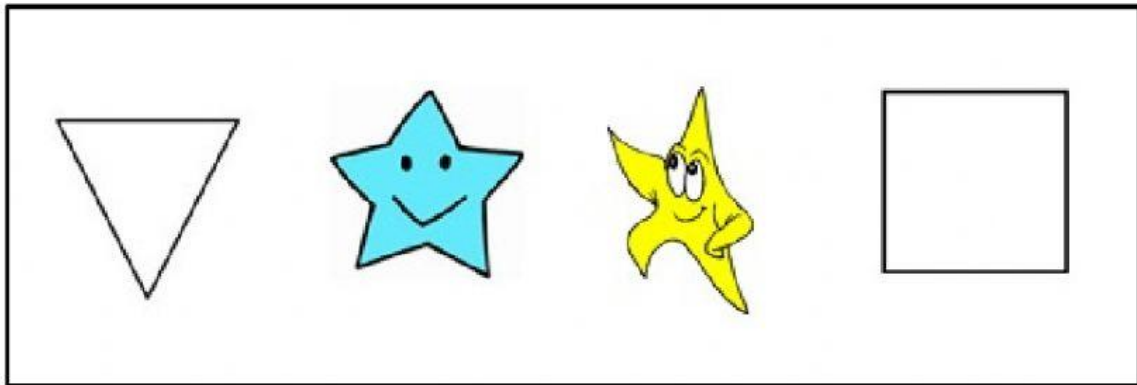

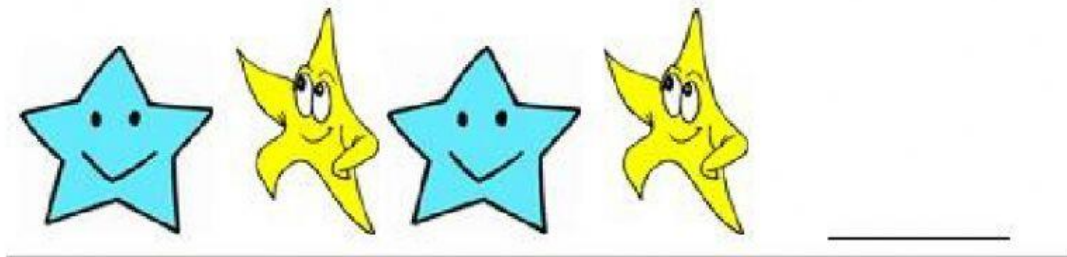

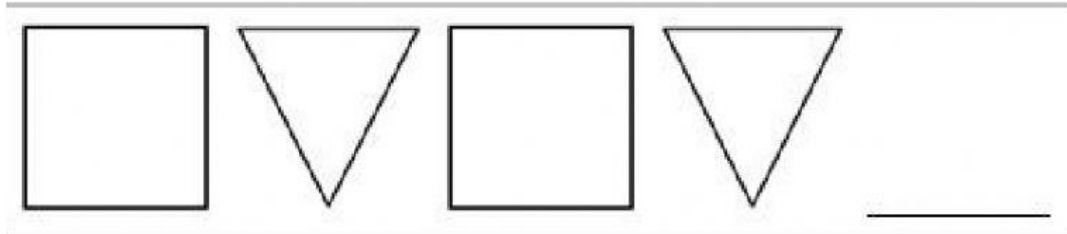

| 1 | 2 | 3 | 4 | 5 |

Question 2: What comes next? Draw the shape that comes next to follow the pattern in each row.

Question 3: Match the words from the table and add them to the correct spaces in the diagram.

Hear	Catch	Smell	Touch	Walk
Move	Taste	Talk	See	Sing

Remember that input can lead to an action. Look at the example.
