A Great Summer Vacation

1 Last summer, I had a great vacation. I went to Paris, France, for eight days. I went there with my two best friends, Henry and Steve. We were very happy because it was our first trip to Paris. We stayed in a small hotel in the Latin Quarter. The hotel was not expensive, but it was very comfortable. Our room had a balcony, and we could see the beautiful city from there.

2 Every day, we woke up early and went to many interesting places. We visited famous tourist attractions in Paris. My favorite place was the Louvre Museum. I like art very much, so I was very excited. The museum was very big, and we walked a lot inside. After a long time, Henry felt tired. He stopped walking and said he needed to rest. We laughed and sat down for a while.

3 In the afternoon, we often sat in small cafés near the Seine River. We talked, took pictures, and enjoyed the fresh air. We ate French food, such as bread and cheese. The food was very delicious. Steve loved the hotel breakfast the most. Every morning, he ate croissants and drank coffee. He said the croissants were the best food he had ever eaten.

4 At the end of the vacation, we felt sad because we had to go home. However, we were very thankful for the wonderful time together. The vacation was fun, relaxing, and unforgettable. Now, we are already talking about our next holiday and hope to travel together again.
