Hi Poppy,

I've got a sore throat and a runny nose, so Gran says I ¹have to / *has to* stay at home tomorrow. I'm happy because I ²*don't have to* / *doesn't have to* go to school. But we ³*has to* / *have to* finish our project. Don't worry, you ⁴*doesn't have to* / *don't have to* come here.

We can chat online – is 4 p.m. OK or ⁵*you have to* / *do you have to* go out then? I can't chat before that because Gran says she ⁶*has to* / *have to* use the computer.
