Hi Poppy,

I've got a sore throat and a runny nose, so Gran says I ¹have to / has to stay at home tomorrow. I'm happy because I ²don't have to / doesn't have to go to school. But we ³has to / have to finish our project. Don't worry, you ⁴doesn't have to / don't have to come here. We can chat online – is 4 p.m. OK or ⁵you have to / do you have to go out then? I can't chat before that because Gran says she ⁶has to / have to use the computer.
