READING

Yesterday afternoon Mum asked my brother to make dinner and he asked me to help. We use the internet to find an idea for dinner. We had curry last week so Mum didn't want to have that. When we found a good idea, we asked Mum for some money and we went to the supermarket by bus to buy chicken and vegetables. Then we caught the bus to go home. We went to the kitchen to start cooking. My brother got some bowls to put on the table and we had stew for dinner.
