

## Comparative and Superlative

1. Write comparative and superlative forms of the following adjectives.

happy		
slow		
hard		
important		
good		
bad		

many		
beautiful		
heavy		
serious		
large		
modern		

2. Greg and Joan are going away for the weekend. Choose a, b, c, or d to complete the dialogue.

**Joan:** Did you book a room at the Victoria Hotel?

**Greg:** No, it was (1)\_\_\_\_ expensive. I found one at the Harbour Inn which was much (2)\_\_\_\_.

**Joan:** Oh, that's good. The Harbour's rooms are just (3)\_\_\_\_ nice as the Victoria's, and the view is even (4)\_\_\_\_.

**Greg:** That's what I thought. Now, should we take my car or yours?

**Joan:** Yours, I think. There is (5)\_\_\_\_ room in the boot. I'm not sure if mine is (6)\_\_\_\_. Your car is (7)\_\_\_\_ mine, too.

**Greg:** OK. Why don't I pick you up about nine?

**Joan:** Maybe we should leave (8)\_\_\_\_ that. It would be nice to have dinner when we arrive.

**Greg:** Good point. There's an Italian restaurant next to the hotel, and there's a really good Chinese place (9)\_\_\_\_ down the street. It's (10)\_\_\_\_ good that last year we went there three nights in a row!

- |                 |                 |                 |                 |
|-----------------|-----------------|-----------------|-----------------|
| 1. a. too       | b. enough       | c. such         | d. as           |
