

My name is Berthe Morisot. I am from Bourges (France). I was born in 1841 and my birthday is on January 14. I live in Paris.

I am an IMPRESSIONIST artist. Impressionism focuses on light, colour and everyday life. I love using delicate colours such as pink, white and green. I enjoy painting portraits, landscapes, gardens and flowers. My first teacher was G. A. Chocarne but I am influenced by other Impressionist artists such as E. Manet or P. A. Renoir. My paintings express the beauty of everyday life. I feel happy and peaceful while I'm painting. My garden is my favourite place to paint. My favourite works are *The Cradle* and *Summer Day*.
