AURORA, MARLEN, PAULA, DIANA,  
HANNAH Y DANIELA

So whenever you ask me again how I feel please  
remember my answer is you  
No matter how much time spend  
I will always be by your side  
Well be alright I want to try again  
It seems that every time we talk there's always  
something more to say we got used to a maybe and this  
time there's no one to save us will you be there in the  
middle of the night when I can't anymore?  
Will you be there when everything is happiness?
