

## SPRING

Spring is a beautiful season. It begins in March and ends in May. So, March, April, May are spring months.

The weather is usually fine in spring. It is warm. The sun is shining. Sometimes it rains. Forests, fields, trees, and bushes in parks and gardens are green. There you can see white, red, blue and yellow flowers. How lovely the snowdrops are!

The birds begin to sing and build their nests. Everything is full of life and joy.

In spring we can go to the country and have a walk in the woods or by the river. Children like spring very much. They like to play different games in the yards and on the sports-grounds.

## *Recite the poem.*

**Spring is here,  
Summer is near,  
Grass is green,  
So nice and clean.  
Winter, Spring,  
Summer, Fall –  
I like Spring best of all.**

*Fall – осень.
