

PART 4

Questions 15 to 20

Read the texts about school clubs. For each question, choose the club (A, B or C) which fits the description. Write your answer A, B or C in the space provided.

A	Art Club Meetings are held on Tuesdays at the Art Station. Activities include rock painting and clay handicrafts. Members can compete in drawing and colouring contests. The aim of the club is to explore art.
B	Science Club Meetings are held on Wednesdays at the Science Studio. Activities include making a bouncy egg and an erupting volcano. Members can display new inventions in exhibitions. The aim of the club is to stimulate interest in science.
C	English Club Meetings are held on Thursdays at the English Lab. Activities include poem recitals and storytelling. Members can test their speaking skills in competitions. The aim of the club is to promote the language.

A	Art Club
B	Science Club
C	English club
