

Slow down, lie down

Remember it'syou and me

Don't sell out, bow out

Remember this used to be

I justyou closer, is that alright?

Baby let's get closer, tonight

Grant my last request and justme hold you

Don't shrug your lay down beside me

Sure I accept that we're going nowhere

But one last time let'sthere, lay down beside me

And I've that I'm bound

To wander down that one-way road

And I realized all about your lies

But I'm no wiser than thethat I was before

Tell me how can, how can this be?
