My sister, Alicia, is a very confident / talented person because she's always sure about herself and knows what she's good at. In fact, she's quite ²active / ambitious – she's got lots of goals and things she wants to achieve. She's also smart and really ³patient / talented – she can play the piano and is very good at sport. The only 'problem' is that she's not very ⁴cheerful / sociable – she doesn't like going to parties and she doesn't have many friends. But if I have a problem, she's always ⁵helpful / calm and tries to solve it. Alicia is ⁶sensitive / patient, too – she doesn't get angry, even when other people make really big mistakes. My sister is my hero!
