Shopping at the open market

I often go shopping at the open market near my house. However, there are some things I don't like about it. First, it is outdoors on rainy or hot days. It's uncomfortable to shop. Secondly, the sellers usually ask for a higher price than the value of the goods and you have to bargain. It's not easy if you don't know the actual price of an item. Another disadvantage is hygiene. Fresh products like vegetable are often not very clean.
