

WH Questions

Read the story and answer the questions below.

A Day at the Beach

Tom and his sister Anna went to the beach on Saturday. They played in the sand, built a big sandcastle, and swam in the sea.

They ate sandwiches and drank orange juice.

In the afternoon, they found some pretty shells. They watched the sunset before going home.

It was a fun day!

Answer the Questions:

1. Where did Tom and Anna go?

2. Who did Tom go to the beach with?

3. What did they eat and drink?

4. When did they find shells?

5. Why was their day fun?
