My sister, Alisa, and I had a great vacation last week. We visited uncle Peter in Fort Lauderdale, Florida. We stayed at his apartment near the beach. We saw the blue sky, green water, and white beach from our window.

The first day we stayed in bed until 11 a.m. Then we had breakfast on the balcony. At noon we went sightseeing by bus. In the evening we went to a club and danced.

In the next days, we ate terrific food on the beach. We bought sunglasses and hats and sandals. We swam in the Atlantic Ocean. The water was very clean. The weather was warm and sunny.

On the last day, we took a boat ride and we saw the city from the water. It was fun.

We had a wonderful vacation. Look at my pictures.
